1. This document

Each entity applying for the grant (Applicant) advertised in the Request for Applications (RFA), the successful Applicant (Grantee), and a subrecipient of funds under the grant provided in response to an application under the RFA (the Grant) is subject to and must comply with the following:

- a. The applicable general terms and conditions outlined in this Appendix 1 – DYRS Grant General Terms and Conditions (GT&C);
- b. The promises, certifications, assertions, and assurances made as part of the application in Appendix 2 – DYRS Grant Promises, Certifications, Assertions and Assurances (PCA); and
- c. The terms, conditions, or restrictions in the Grant award documents.

The Grantee must review the Grant award document for additional administrative and programmatic requirements.

2. Order of precedence

In the event of inconsistency among the provisions of the DYRS grant documents governing the Grant, the inconsistency shall be resolved by giving precedence to the following documents, including their attachments, in the following order:

- a. The most recent written, DYRS-approved amendment to the Grant Award Notice (GAN);
- b. The GAN;
- c. The DYRS Request for Applications (RFA), including all appendices; and
- d. The Grantee's submitted proposal.

3. Communications with DYRS

- a. Communications shall be directed to DYRS offices, or DYRS staff, as the RFA or Grant states.
- b. Reports and other submissions shall be directed to the Grant Administrator.
- c. If reports are electronically filed, any required signatures shall be reliably and clearly reproduced.
- d. The Grantee shall maintain electronic mail (“e-mail”) capabilities for communication with DYRS.
- e. A notice shall be deemed timely delivered to DYRS only when written confirmation of receipt is provided by DYRS.

4. Grant match: projection and documentation

When documentation of a grant match is required:

- a. In support of an application, the applicant must provide a basic budget that shows unit rates and quantities, as with hours worked, square feet used, or miles driven; and
- b. In support of an award, the Grantee must provide the following, which must be acceptable to DYRS, unless DYRS revises or waives the requirement in writing:
 - (1) Documentation for salary and items purchased in the same form as required in the Payment section of this document.
 - (2) Documentation of a proposed in-kind match, including detail for volunteers. Volunteer hours provided to the Grantee by individuals will be valued at rates consistent with those ordinarily paid for similar work in the Grantee organization. If the Grantee does not have employees performing similar work, the rates will be consistent with those ordinarily paid by other employers for similar work in the same labor market. Donated space, as for a meeting or event, may be valued according to a written statement from a property's owner or manager. Donated vehicle use may be valued as provided for reimbursement of travel.

5. Communication of a material change

The Applicant and the Grantee shall advise DYRS immediately orally and thereafter immediately in writing, if:

- a. A material condition of the Application or performance of the grant has changed. A material condition includes: the loss of a staff member proposed as a principal; the lack of funds to pay bills incurred for the grant's activities; the expenditure of granted funds for non-granted activities, materials, or supplies; or a change in the Applicant's governance; or
- b. The Grantee's insurance coverage has been reduced, or the Grantee has been notified of a cancellation in whole or in part of its insurance.

6. Compliance as a continuing condition of eligibility

The Applicant must continue to comply with these terms during the Grant period, if awarded a grant. If, as the Grantee, the Applicant fails to comply with the terms and conditions of this award, DYRS may suspend, terminate, take other corrective action (including, but not limited to, recovery of funds provided under the Grant), or initiate dispute resolution.

7. Grant award contingent on available funding

The Grant award and DYRS's distribution of funds pursuant to the Grant award are subject to the availability of funding from the sources identified in the RFA for the particular grant opportunity or project. DYRS's ability to provide funds is, and shall remain subject to, the provisions of:

- a. The Federal Anti-Deficiency Act, 31 U.S.C. §§ 1341, 1342, 1349, 1351;
- b. The District Anti-Deficiency Act, D.C. Official Code § 47- 355.01- 355.08; and
- c. Amendments to these statutes.

8. Bonding Requirements

A bond is not required of the Grantee unless DYRS states the requirement in writing.

If DYRS does require a bond, the Grantee, before accepting the grant, must secure the bond in an amount not less than the total amount of the funds awarded, against losses of money and other property:

- a. Caused by fraudulent or dishonest act, and
- b. Committed by an employee, board member, officer, partner, shareholder, trainee, or volunteer.

9. Grant period

The period of this Grant shall begin on the date given on a GAN. On and after the begin date, the RFA, the documents it incorporates, and the documents specified in Section 1 of this document apply to the Applicant as “Grantee.”

The period of the Grant shall end on the date stated in the GAN, unless DYRS modifies the period in writing (“end date”).

10. Payment

- a. The Grantee will be reimbursed for work performed and expenses incurred.
- b. DYRS will not reimburse the Grantee for grant-related expenditures made before the begin date.

The Grantee may submit invoices for grant-related reimbursement when it chooses, but not later than September 30 for expenses incurred in the prior 365 days. The Grantee must use the DC Vendor Portal at www.vendorportal.dc.gov to submit invoices. To register for use of the portal, the Grantee must have a business license issued by the District Department of Consumer and Regulatory affairs. The Grantee must inform the agency’s point of contact any objections or limitations with the use of the portal prior to acceptance of the grant.

- c. The Grantee's submittal must include a signed invoice, on organization letterhead, with federal tax identification number and supporting documentation. The submittal to DYRS must include:
 - (1) For employee labor: For the relevant period, a payroll report, with information drawn from an official book or record, like a payroll register, official time sheet or time card/s, approved by a Grantee representative.
 - (2) For a contractor expenditure: Each expenditure must be supported by an invoice. In turn, each contractor invoice must rest on information drawn from an official book or record.
 - (3) For another expenditure: Each expenditure must be supported by an invoice or receipt.

- d. The Grantee must keep backup documentation to show:
 - (1) For Grantee:
 - (a) For labor: the official books and records information showing employee name, title, hours worked that are charged to the Grant, and pay rate for the period (typically a payroll register, official time sheet or time card/s);
 - (b) For non-labor: an invoice and receipt that identifies or describes the invoiced item, showing quantity, rate or price, and for a procured item, including a contractor and subgrantee invoice, proof of payment.
 - (2) For Grantee's contractor or subgrantee:
 - (a) For labor: the official books and records information showing employee name, title, hours worked that are charged to the Grant, and pay rate for the period (typically a payroll register, official time sheet, or time card/s); and
 - (b) For a non-labor item: an invoice or receipt must identify or describe the invoiced item, showing quantity, rate or price, and for a procured item, proof of payment.

- e. In some circumstances DYRS may require documents supporting an accounting entry before releasing payment. Such information may include:
 - (1) General ledger screen shot or excerpt, showing paid bills or expenditures;
 - (2) Copy of a canceled check or a bank statement of an electronic transfer;
 - (3) Statement from contractor, subcontractor, or vendor that the bill has been paid; or
 - (4) Report of on-site inspection or audit.

- f. Under no circumstances will DYRS provide a portion of grant funds for the Grantee's start-up costs, as an advance.
- g. The sum of all monies paid to the Grantee pursuant to the grant award shall not exceed the total amount stated for the Grant.
- h. Notwithstanding the above, DYRS may withhold payment if DYRS determines that the Grantee has failed to comply with terms of the Grant

2. Unethical conduct

- a. The Applicant/Grantee shall avoid unethical conduct with respect to securing and administering granted funds, with ethical conduct to be measured generally against the provisions of the District Ethics Manual (most recent edition as of the time the grant is awarded), found at www.bega.dc.gov, under the heading for documents.
- b. In particular, the Grantee shall avoid:
 - (1) Apparent and actual conflicts of interest;
 - (2) Contributing to a violation of the District's restrictions on gifts to District personnel; and
 - (3) Contributing to a violation of the two-year ban on District personnel taking certain actions regarding a "particular matter" described in the District Ethics Manual.
- c. No Applicant/Grantee shall employ or retain a person or selling agency to solicit or secure the Grant, a payment under it, or an amendment, upon an agreement or understanding for a commission, percentage, brokerage, or contingent fee. Except, an applicant or grantee may condition its compensation for a bona fide employee on grant-related job performance and may retain an attorney for compensation permitted by the District's Rules of Professional Conduct.
- d. Except as may be allowed under the District Ethics Manual for items that are unsolicited and of nominal value, with respect to grant funds, the Grantee and Grantee's employees, officers, or agents shall not solicit or accept a gift, gratuity, favor, or anything of monetary value, from: a contractor, subcontractor, vendor, party to a related agreement, or a beneficiary of the Grant.
- e. If the Grantee is a natural person, he or she shall not participate in the selection, award, or administration of funds from the Grant if that would create a real or apparent conflict of interest. This prohibition also applies to a Grantee's employee, officer, or agent. An example of a conflict would be when the Grantee decides to employ, or buy from, a person or entity in which he or she, or a member of his or her immediate family, including a domestic partner, has an employment or financial interest.

3. Grant purchases, including equipment, exceeding \$500 per unit cost

- a. The Grantee shall not purchase with grant funds equipment or supplies exceeding \$500 per unit cost (“Big Grant Purchase”) without DYRS’s written agreement.
- b. For each Big Grant Purchase, the Grantee shall give advance written notice to DYRS to allow DYRS to approve or disallow the purchase.
- c. Identification of a Big Grant Purchase in a DYRS-approved proposal constitutes approval of the Big Grant Purchase. If a Big Grant Purchase is not identified in a DYRS-approved proposal, advance notice shall be given four (4) weeks in advance of the commitment to purchase. DYRS may waive this time period in writing, for good cause.
- d. For all Big Grant Purchases, the Grantee shall maintain an inventory record (“Big Grant Purchase Inventory”) showing:
 - (1) Purchase price;
 - (2) Grant number;
 - (3) Name of item;
 - (4) Manufacturer's name;
 - (5) Serial number (if applicable);
 - (6) Acquisition history (purchase order, invoice, packing slip);
 - (7) Guarantee or warranty lapse date;
 - (8) Storage location;
 - (9) Unit price; and
 - (10) Additional costs, if any, for transportation, installation, and taxes, each as a separate item.
- e. The Big Grant Purchase Inventory shall be updated annually, or at the grant end date, whichever occurs first.
- f. DYRS may inspect and reclaim all or part of the inventoried equipment within 12 weeks of the grant end date.
- g. Warranties for Big Grant Purchases are governed by the provisions for purchases of materials and labor with an aggregate value of over \$5,000 as set forth in the Contracts, subcontracts, or subgrants section of this document.

4. Modifications of the grant, including extensions and increases

The terms and conditions of the grant may be modified only upon DYRS’s prior written approval. The modification shall take the form of an amendment to the GAN.

- (1) Through an amendment, DYRS may increase or reduce the grant amount, change scope, and/or extend or reduce the grant period.
- (2) If DYRS notifies the Grantee that a funding increase or an extension of the grant period is available, the Grantee must apply for the increase or extension in writing according to the terms of the DYRS notification. Typically, DYRS requires an application to extend a grant period eight (8) weeks in advance of the grant’s then-current end date. The application must justify the amendment, and include a description of proposed changes to scope, performance schedule, description of proposed outcomes, and budget.

5. Contracts, subcontracts, or subgrants

- a. Nothing in the GAN shall be construed to create a contractual relationship between DYRS and Grantee's contractor, subcontractor, subgrantee, or vendor.
- b. Any Grant-related work and/or activity that is contracted, subcontracted, or subgranted is subject to applicable District law and DYRS's review and approval. The Grantee shall give DYRS advance notice of contracts, subcontracts, and subgrants enough time to allow DYRS to determine whether its approval is needed, and, if so, whether approval must come before the Grantee's execution of the contract, subcontract, or subgrant.
- c. The Grantee's contract, subcontract, or subgrant shall specify that the contractor, subcontractor, or subgrantee, and its contractors, subcontractors, or subgrantees, shall be subject to the conditions and prohibitions of the GAN.
- d. Warranties for labor and materials shall be obtained for purchases of materials and labor having an aggregate value of over \$5,000. These warranties shall be for at least two (2) years. DYRS may waive this requirement in writing for demonstration or research grants.
- e. If the Grantee, its contractors, subcontractors, or subgrantees disturbs work guaranteed under another District contract or grant, the Grantee shall be responsible to restore the disturbed work to a condition comparable to its original condition and warranty such restored work, or alternatively to pay the District for the damage.
- f. No Grantee shall use grant funds to procure services or materials from a vendor, contractor, or subcontractor that is suspended or debarred by the District or the federal government.

6. Establishing and managing subawards

If the Grant authorizes or provides for subawards, the Grantee, as a pass-through entity, must:

- a. Ensure that all subaward agreements are in writing and address all elements for subaward agreements identified in the RFA and GAN.
- b. Ensure that the subawardees are aware that they are subject to all applicable terms, conditions, and requirements of the RFA, GAN, and appendices.
- c. Establish and follow a system for monitoring subawardee performance that includes elements required by the RFA, GAN, and appendices and report the results of the monitoring in required performance reports.
- d. Establish and maintain an accounting system that ensures compliance with the maximum funding limitation established in the GAN and with the requirements for payment of costs under the Grant. This includes establishment of written procedures for determining that subaward costs are allowable under the GAN, and may provide for determinations on a pre-award basis, through ongoing monitoring of costs that subgrantees incur, or a combination of both approaches, provided the Grantee documents its determinations.

7. Entry onto a project site

The Grantee shall provide the District with access to the project site(s) and to books and records for the funded project. The Grantee also shall secure from the relevant property owner permission in writing for DYRS or its designee to access a project site/s at reasonable times to inspect the work performed by the Grantee, its contractor, subcontractor, subgrantee, or vendor. The Grantee shall obtain the written consent in advance of performing the work.

8. Facilities controlled by the Grantee

- a. If a facility controlled by the Grantee is used during the performance of projects under the grant, it shall meet all applicable federal, state, and local regulations for the intended use. Such a facility includes an office, training room, storage yard, or staging area.
- b. With respect to such a facility, the Grantee shall identify an emergency site facility to finish the activities of the Grant if the primary facility becomes unavailable for use due to a catastrophic event.
- c. Each facility controlled by the Grantee that is used for activities under the Grant shall be accessible to mobility-limited persons consistent with the Rehabilitation Act of 1973, as amended, 29 U.S.C. § 701 *et seq.*, and the Americans with Disabilities Act, 42 U.S.C. § 12101 *et seq.* This means that if a facility is not required to be modified under either Act, the Grantee need not modify it, but DYRS will require the Grantee to explain how it will seek to accommodate mobility-limited persons.

9. Safe work environment

The Grantee, and its contractors, subcontractors, or subgrantees, shall provide a safe work environment for work on DYRS-funded projects. The Grantee shall provide a procedure for reporting unsafe working conditions and addressing reports made. If the Grantee, contractor, subcontractor, or subgrantee receives an allegation of an unsafe working condition or practice or has a safety incident, the pertinent party shall investigate the reported unsafe condition or practice and take appropriate action to address the situation in a timely manner. The incident and response shall be described in the Grantee's next grant report.

10. Unusual incident reporting

The Grantee shall report each unusual incident involving or affecting performance of the Grant to the Grant Administrator within twenty-four (24) hours of the incident or of the Grantee's learning of the incident. The initial report may be oral or in writing (typically by e-mail). The Grantee shall, within five (5) days of the incident, communicate in writing to the Grant Administrator a full description of the incident and any response(s) taken or to be taken in response to the incident.

An unusual incident is an event or occurrence significantly different from routine or established procedure that affects or may affect performance of the Grant. Examples include, but are not limited to, an injury, a traffic accident, a theft, or the firing or resignation of a principal staff member or contractor identified in the Application.

11. Termination

The Grant, and the offer of the Grant, shall be subject to DYRS's termination:

- (1) At any time, in whole or in part, for the convenience of the Government should DYRS determine that such termination is in the best interest of the public or the Government;
- (2) Immediately for:
 - (a) Lack of funding;
 - (b) Failure of the Grantee to follow District or applicable federal law, including statutes, rules and regulations;
 - (c) Failure of the Grantee to carry out DYRS's ordered grant remediation plan;
 - (d) An ethics violation involving the grant, pursuant to the ethical standards in the most recent version of the District Ethics Manual, published by the District's Board of Ethics and Government Accountability (bega.dc.gov), as of the date that the GAN was sent;
 - (e) Cessation of insurance coverage without replacement of similar coverage; or
 - (f) Fraud, waste or abuse.
- (3) After the Grantee has acknowledged or otherwise signified receipt of the Grant, fourteen calendar days after the Grantee receives from DYRS written notice of termination due to:
 - (1) *Force majeure*, as defined and described below; or
 - (2) Cause, as defined and described below.

12. Termination for force majeure or cause

- (1) For force majeure DYRS may terminate the grant and the Grantee may seek certain reimbursement, as described in this section.
- (2) For cause DYRS may terminate the grant, but the Grantee may not receive the reimbursement allowed for termination on the basis of *force majeure*.
- (3) Cause and *force majeure* defined:

- (1). Cause is a basis for DYRS's termination of the grant, when DYRS determines that the Grantee has:
 - (2). Failed to achieve the intended outputs within the time frame that has been approved;
 - (3). Performed incompetently, recklessly, or unlawfully.
- (4) *Force majeure* is a condition or occurrence which provides a valid excuse to failure to perform within the time frame of the grant, an unexpected and disruptive event which DYRS determines could not have reasonably been anticipated or controlled, and includes:
- (a) Timely applying for a government permit or approval but not timely receiving same from the government agency;
 - (b) A change in applicable law;
 - (c) An unforeseen weather event;
 - (d) Organized labor strike or slowdown; and
 - (e) Refusal of a necessary third party to approve, agree, or participate, following the Grantee's reasonable attempts to secure same.
- b. The Grantee may not invoke *force majeure* as an excuse for poor planning, failure to accommodate foreseeable delays by suppliers, or the Grantee's failure to manage its own resources.
- c. For *force majeure*, the Grantee may seek reimbursement for otherwise-reimbursable expenditures incurred up to the date of termination, as well as reasonable costs incurred for demobilization.

13. Unspent funds

Funds provided under this Grant, but not spent to fulfill the terms of the Grant, shall be returned immediately to DYRS upon completion of all work required under the Grant, termination of the Grant, or the Grant end date, whichever is earliest.

14. Grant fiscal performance review and remediation plan

- (1) After eight (8) weeks of the Grantee's grant performance, DYRS may perform a complete grant fiscal compliance review to determine patterns and rates of expenditures.

- (2) If DYRS identifies deficiencies, DYRS may require that the Grantee undertake a grant remediation plan to improve and correct fiscal problems. Grant remediation may include:
 - (a) Repayment of Grant funds;
 - (b) Reduction in the Grant award; and
 - (c) Reallocation of Grant funds.

15. Accounting and audits

- (1) The Grantee shall maintain an accounting system that:
 - (a) Conforms to generally accepted accounting principles;
 - (b) Permits an audit of all income received and expenditures disbursed by the Grantee during performance of the activities approved for the Grant; and
 - (c) Allows for the identification and review of documents supporting an accounting entry.
- (2) The Grantee shall assist, and shall require that its contractors, subcontractors, and subgrantees assist, in the inspection and provision of financial records relevant to the Grant, including financial statements and tax returns. The Grantee shall seek such assistance from each vendor of a Big Grant Purchase.
- (3) At any time before final payment on this Grant, or the end of the District fiscal year in which the Grant ends, whichever is later, and for three (3) years thereafter, the District shall have the right to audit the Grantee, its contractors, subcontractors, or subgrantees. The District may, during this period, seek to audit vendors of Big Grant Purchases. If federal funds have been granted or subgranted, a federal agency may undertake such audits. The Grantee shall assist the District in obtaining the cooperation of its contractors, subcontractors, subgrantees, and vendors in such audits.
- (4) If federal funds have been included in the DDOE Grant to the Grantee, and the Grantee spends over the following amounts of federal funds, from all sources, the Grantee shall obtain an independent audit of program expenditures in accordance with federal rules:
- (5) If the Grantee's fiscal year that started after 12/26/14, for an aggregate of federal funds spent of \$750,000 or more (including this Grant) in its own fiscal year, the Grantee shall obtain an independent audit of program expenditures in accordance with 2 CFR Part 200, Subpart F.
- (6) In any event, the Grantee of federal funds shall comply with all applicable federal regulations contained in 2 CFR Part 200.
- (7) A copy of the audit findings and the audit report shall be submitted to the Grant Administrator no later than thirty (30) days from the issuance of the audit findings.
- (8) If a federal agency undertakes an audit of the Grantee in connection with the Grant, the Grantee shall make available to DYRS all information that the audit requires, including information from its contractors, subcontractors,

subgrantees, and, as practicable, vendors.

- (9) The Grantee shall, upon DYRS request, repay to DYRS a reimbursed expenditure that DYRS has disallowed after an audit.

16. Document retention for five years

- (1) For five (5) years after the final DYRS payment of the Grant, or the end of the District fiscal year in which the Grant ends, whichever is later, the Grantee must maintain complete documentation of the Grant activities, including financial records and other documents supporting accounting entries. Upon DYRS's request, the Grantee must be able to produce for review the documentation, including for DYRS audit or, if applicable, federal audit.
- (2) The Grantee must produce these materials for review, permit review of them, and respond promptly to questions regarding them, upon DYRS's or an auditor's request.
- (3) If a claim, litigation, or audit is filed or commenced before the expiration of the three- year period, the documentation retention period shall be tolled, and documentation must be preserved until the claim, litigation, or audit has been finally resolved.
- (4) The Grantee shall secure the agreement to the provisions of this section in writing from a person that this appendix subjects to an audit requirement.

17. Attribution of funding

- (1) When communicating in writing (including in signage, on garments, and electronically) about the activity or project which the Grant funds, the Grantee must identify publicly the support of DYRS. The Grantee shall include a DYRS logo, which DYRS will provide.
- (2) The Grantee shall follow DYRS Sign Design Guidelines and Publication Design Guidelines.
- (3) If federal or other funds have been subgranted, and if DYRS requests, the Grantee must similarly acknowledge the funds' source.

18. Rights in data and other information

- (1) DYRS retains ownership of all information produced pursuant to this Grant, including data regarding persons surveyed, interviewed, and/or counted, and any information regarding to whom services or things were provided.
- (2) To ensure the protection of persons' confidentiality and compliance with District law and policies regarding confidentiality, the Grantee may not publish scientific or technical articles based on these data and/or information without DYRS's prior written consent.
- (3) DYRS is, for federal funding, subject to certain information restrictions, and may require that the Grantee give notice to, and request a decision from, the federal funder.
- (4) DYRS will not unreasonably withhold consent to a request by the Grantee for a

nonexclusive license to use aggregated, non-confidential data, including for publication in professional and scientific journals and at professional meetings.

- (5) The documents for this Grant are public documents and may be disclosed under the District's Freedom of Information Act, D.C. Official Code §§ 2-531-40. DYRS shall have the right to disclose to a third party the identity of a person providing a service or good under this Grant and the terms of insurance obtained pursuant to this Grant.
- (6) The Grant may involve activities in which confidential information is provided to the Grantee. DYRS may also advise the Grantee in writing as to the content and nature of confidential information. When the Grantee uses or has access to confidential information, it shall treat the information as follows:
 - (a) The Grantee shall use confidential information only to the extent required to accomplish the purposes of this Grant.
 - (b) The Grantee shall not disclose confidential information to others without the express written permission of DYRS. Exception: The Grantee may disclose confidential information to its contractors or subgrantees who have agreed in writing to be bound by the disclosure limitations in this section.
 - (c) To be considered confidential information subject to the disclosure limitations in this section, DYRS's orally provided information shall be identified as confidential at the time of disclosure, summarized in writing and the summary delivered within thirty (30) days of disclosure.
 - (d) Confidential information shall not pass in ownership to the Grantee. The furnishing of confidential information does not constitute a license to the Grantee to use the information for purposes beyond the activities of this Grant.
 - (e) After being requested by DYRS to destroy confidential information, the Grantee shall return or destroy it within seven (7) days. Destruction shall be verified by the Grantee in writing by a duly authorized officer or manager. Confidential information that is not returned or destroyed shall remain subject to the confidentiality obligations set forth in this section.
 - (f) The confidential information shall not be copied or reproduced at any time without the prior written consent of DYRS, except for distribution to employees or contractors in accordance with, and subject to, the provisions of this section.
 - (g) The requirements of this section shall continue past the term of this Grant.
 - (h) The Grantee shall secure from contractors and subgrantees the agreement, in writing, to be bound by this section if they use or have access to confidential information.
 - (i) Confidential information shall include, but not be limited to: Homeowner names, phone numbers, social security numbers, financial information, and home security arrangements.

19. Indemnification

Unless prohibited by law, the Grantee shall indemnify, defend, and hold harmless the District of Columbia and its officers, agents, and employees from any and all claims that are in any way connected to the grant. Unless prohibited by law, the Grantee shall require its principal contractors, subcontractors, subgrantees, and/or, if practicable, vendors for this Grant to do the same.

20. Insurance

Unless DYRS waives insurance requirements in writing, the following are conditions to receipt of funds under the Grant:

- a. Except as provided below, the Grantee shall obtain the following minimum insurance coverages and keep such insurance coverage in force throughout the grant period:
 - (1) Commercial General Liability Insurance: one million dollars (\$1,000,000) limit per occurrence, and two million dollars (\$2,000,000) aggregate, with the District added as additional insured;

 - (6) When District property or a District facility is used, crime insurance (third party indemnity) to cover the dishonest acts of employees of the Grantee, its contractors, subcontractors, and subgrantees that result in loss to the District; and
 - (7) Sexual/Physical Abuse and Molestation insurance if minors are involved in the services provided, and no other policy covers the matter, in the amount of one million dollars (\$1 million) per occurrence and two million dollars (\$2 million) aggregate, with the District as an additional insured.

- b. For each project conducted on federal property, in addition to the coverages in paragraph “a.” of this section:
 - (1) The Grantee and its subgrantees must procure public and employee liability insurance from responsible companies with a minimum limitation to be the greater of:
 - (a) One million dollars (\$1,000,000) per person for any one claim, and an aggregate limit of three million dollars (\$3,000,000) for any number of claims arising from any one incident; or
 - (b) The minimum required by law, if any;
 - (2) The United States of America must be named as an additional insured on each such policy;

21. Special provisions for certain programs or projects

Special provisions are written into the Request for Applications.

22. Requests for reconsideration of certain DYRS decisions

In certain limited circumstances DYRS provides the following procedure for an applicant to seek review or reconsideration of a grant-making decision:

23. Request for reconsideration

- a. When the Department decides to award a grant to a successful applicant, it will notify in writing each applicant whose application was not selected for award. At the Department's discretion this notification may include a statement regarding eligibility, a reviewer's evaluation and comments, or a summary. It will not identify a reviewer or provide the contents of an application. Written notification may be made electronically, typically by email.
- b. If an unsuccessful applicant wishes to better understand the decision regarding an offered grant, the applicant may ask the Department's Grants Division for further information. The Department may meet with the applicant, explain the decision, and may provide reviewer evaluation, comment, or a summary.
- c. If an unsuccessful applicant wishes the Department to reconsider the decision, the applicant must file a "Request for Reconsideration" in writing within seven (7) days of the date of the Department's notification. The filing should be addressed to the Department Director.
- d. A written request may be made electronically, typically by email to the published email address for the grant competition. The Department encourages electronic communication.

- e. A Request for Reconsideration must include a concise statement of the reason(s) for the request and include all documentation and other evidence supporting the request.
- f. A request must identify the reasons for reconsideration and provide supporting evidence, or it will be denied.

24. Department response

- a. A change to the award decision will be made only because of fraud, a criminal act, or a material error in the determination of eligibility.
- b. The Department Director, or designee, will consider the Request for Reconsideration and the evidence provided.
- c. Ordinarily a decision will be issued within seven (7) days, except the Director may extend that time, and will notify the requestor in writing of an extension.
- d. The Director may halt the award of the grant while the Request for Reconsideration is pending.
- e. After reconsideration, the Director will inform the requestor in writing of the determination.
- f. If the Director determines that a valid basis for a change to the award exists, the Director may:
 - Reopen the grant application process, in whole or in part;
 - Revise or revoke an award; or
 - Take other appropriate action to address an error.

25. Effect of the award

Unless the Department states otherwise in writing, either (a) seven (7) days after a grant's announcement, or (b) upon affirmation of a grant after considering a request for reconsideration, an award of the grant constitutes final Department action on the grant.
